Teachers play a pivotal role in transforming the nation. iB Hubs Super 30, a novel initiative to honour inspiring teachers across India, has announced the 30 super teachers.

'Super 30' movie along with iB Hubs, have come forward with an initiative called 'iB Hubs Super 30' to recognize and celebrate many such teachers across India. This initiative received an overwhelming response of 30,000+ nominations ranging from school teachers, professors, deans, IAS trainers, coaches to singers and dance masters across the country.

"India is full of amazing teachers who relentlessly work towards nurturing the students and developing the country. Often, their stories remain unsung. We strongly believe that the valuable contributions of teachers who build the nation deserve to be known to the world. With this in mind, we joined hands with Super 30; to honour the inspiring teachers of our country" said Kavya Dommeti, CEO of iB Hubs.

30 inspiring teachers from across the country who are making valuable contributions in diverse fields, and those who are transforming education in rural areas and who are walking the extra mile to shape the lives of their students have been selected in iB Hubs Super 30 from across the nation.

The stories that iB Hubs Super 30 brought in are truly heartwarming. Their passion to upskill the students and thereby the country is commendable.

"The 30 super teachers we selected are a representation of thousands of their likes. iB Hubs is coming up with initiatives, which will include all such teachers in India, to magnify their impact and bring a phase-shift in the country." Kavya Dommeti said.

Along with providing end-to-end assistance to startups, iB Hubs is striding towards democratizing the high-quality education in advanced technologies. Together with teachers across India, iB Hubs aims to bring a phase shift in the educational sector and transform the country. Know more: <https://ibhubs.co/super30/>
